They Go Fishing and Make a Fine Haul.

1. GRANDPA: "The boys will be along soon. Let's get ready to have a little fun with them."

2. GRANDPA and UNCLE ALEX: "Wonder where these ticklish flies have come from so suddenly?"

3. GRANDPA: "Lend me the pole and I'll shoo them away."

4. GRANDPA: "Now watch me make them go."

5. UNCLE ALEX: "Well, gran'pa, you certainly know how to drive away flies."

6. GRANDPA: "Yes, and I know how to catch them too."
